

FINNISH EVENING BY THE RIVER – DINNER, SAUNA

FINNISH EVENING BY THE RIVER

This experience combines delicious local cuisine, authentic sauna culture, and the magic of Nordic nature.

The evening begins with a hearty Finnish dinner served in a charming historical wooden building, full of character and local stories. After dinner, guests head to a riverside sauna for a truly relaxing and uniquely Finnish experience.

Enjoy the soothing heat of the sauna, refresh and admire the peaceful river landscape. For the adventurous, follow Finnish tradition: step outside into the snow and make snow angels—or simply cool off under the stars.
